Hi Angela – Per your request, here is agenda attached from last year, notes from last meeting (first email below), plus a follow-up email from you! (so you were definitely there ☺) Last time, because we hadn't had this type of meeting in a couple of years, the agenda was organized by broader topic than program, with program specific issues as bullets under. I would like to schedule a de-brief after this year's PPA to talk about next year's while it is still fresh. I can schedule a call with you, me and Lucy. Michelle

Hi Folks,

Ex. 5 Deliberative Process (DP)

Ex. 5 Deliberative Process (DP) I do not recall hearing anyone from Ecology request a copy at our meeting last week. If they are interested, they should contact Melissa or Heather, who attended the in-person meeting with NWEA noted above (I recall Helen, from Ecology's TMDL program, was there too). Thanks.

Subject: my notes from WQ Ecy/EPA meeting

Hi Everyone – Thank you all for the meeting on Wednesday. It was very helpful to be able to discuss cross-program issues together as a group with Ecology. So thank you again for making the slog down to Lacey. (Next year we get to host.)

Here is what I captured as follow-ups:

1. NPDES – ready to issue PQR. MOA is moving forward and needs to stay on a tight timeline to be completed by end of federal fiscal year (Sept. 30th). Agreed to pull a cross-program sub-group together soon (next week or so) to discuss points in NWEA petition (about nutrients in Puget Sound) because it touches on so many programs and issues.
2. Nutrients – Ecy shared announcement about July 19th workshop and wants good attendance/input so share broadly (http://www.ecy.wa.gov/puget_sound/reducing-nutrients.html). Opportunities within the new Action Agenda structure to continue to address nutrients? EPA will follow-up internally.
3. Columbia River – EPA offered to do a ppt for Ecy/WDFW on cold water refuges. PAH map will be done by end of summer. EIS – Ecy is now a cooperating agency.

4. Nonpoint – **Ex. 5 Deliberative Process (DP)**

5. PPA – 2 public comments received. On track for signing ceremony June 27 when Michelle Pirzadeh will be in Lacey.

Enjoy the weekend!
